

Step up...Wait

April 15, 2010

James Gregory Maynard

Metaphor for Life

A Playground Slide

Stepping off into the sand

Running back to the queue

You begin again

Step up...Wait...Step up...Wait.

Step up...Wait...Step up...Wait

Each child before me, waiting his turn.

Holding onto the rail

Leaning back to search

The bright blue, endless sky.

Step by step,

Seems like an eternity

Until finally

You make it to the top.

Down the slope

In a flash,

A brief

Exhilarating moment.
